Potting Soils

Nature's Creation Organic Potting Soil

Crafted from compost, coco fiber, pecan mulch, perlite, molasses, mushroom compost & humus. Inoculated with endo/ecto mycorrhizal fungi. Peat moss free. For all indoor & outdoor plantings. **1.5CF - \$12.95**

Fox Farm Happy Frog Potting Soil

Ready to use aged forest mix for containers, containing the most beneficial microbes on the market, including bat guano & worm castings. Feeds plants for 2-3 weeks. **12qt - \$10.95 / 2CF - \$27.95**

Fox Farm Salamander Soil Potting Mix

A specialized moisture-holding blend to keep root zones from drying out between waterings. Fortified with a balanced blend of coco fiber, worm castings, bat guano & oyster shell. Feeds plants for 3-4 weeks. **1.5CF - \$25.95**

Fox Farm Ocean Forest Potting Soil

A powerhouse blend of premium worm castings, bat guano, sea-going fish and crab meal. Has a light, well aerated texture. A staff favorite! Feeds plants for 4-6 weeks. **12qt - \$12.95 / 1.5CF - \$25.95**

Malibu Compost Baby Bu's Potting Soil

An ultra-rich blend! Contains coconut coir, composted dairy cow manure, fir bark, perlite, worm castings, soybean meal, fish meal, fish bone meal, langbeinite, alfalfa meal, crab meal, green sand, neem seed meal, volcanic ash, biochar & kelp meal. **12qt - \$12.95**

Nature's Creation Cactus & Succulent Mix

Formulated to provide just the right environment for cactus/succulents. Porous ingredients combined with organic material to maintain the ideal moisture levels & adequate drainage and air circulation. Contains coco fiber. Peat moss free. **0.5CF - \$9.95**

Rabbit Hill Farm Cactus Mix

A soilless ready-to-use potting mix that has been specially formulated for all types of cacti & succulents. Contains compost, aged pine bark, lava sand, granite sand & perlite. May also be amended 50/50 with your favorite potting soil to create a well draining soil. **3qt - \$10.95 / 5gal - \$17.95**

Miscellaneous

Corn Gluten A natural pre-emergent herbicide that prevents the germination of broadleaf weeds, annual & perennial grasses. **40lb - \$54.95**

Corn Meal A natural fungicide that fights soilborne diseases, especially brown patch in the lawn. **30lb - \$27.95**

Diatomaceous Earth (D.E.) A non-toxic pest control dust that kills insects of all species. **50lb - \$41.95**

Dusting/Wettable Sulfur Dust on potatoes and bulbs before planting to prevent rotting. Dust on lawn to repel chiggers. **25lb - \$35.95 / 50lb - \$56.95**

Fertilizers

Sustane (8-2-4) All Natural Plant Food

An excellent all-purpose organic fertilizer that we have been using here at The Natural Gardener for many, many years.

5lb - \$12.95 / 20lb - \$34.95

Nature's Creation Premium Lawn & Garden

Fertilizer (6-1-2) An all natural, pleasant smelling fertilizer that has been formulated with 11 different strains of mycorrhizal fungi. Contains no bio-solids, manures, or animal by-products. The easy to spread pellets contain 16 proven ingredients that provide exceptional results for lawns and garden beds. Bag covers 4,000 sqft. **40lb - \$43.95**

Medina Growin' Green Organic Fertilizer (3-2-3)

A natural fertilizer for all your gardening needs. **40lb - \$23.95**

Buds & Blooms (6-8-4) Organic fertilizer that promotes roots, blooms & fruits. **15lb - \$28.95 / 30lb - \$49.95**

Rose Glo (6-8-4) Made with minerals & nutrients specially designed for roses. **15lb - \$28.95 / 30lb - \$49.95**

Cottonseed Meal (7-3-2) A natural source of all 3 primary plant food elements. Helps to create an acidic soil condition & stimulates beneficial bacteria. **20lb - \$36.95**

Tomato & Pepper Food (2-1.5-3) Contains slow-release phosphorus to produce ample fruits. **15lb - \$28.95**

Rock Phosphate (0-3-0) Promotes roots, blooms & fruits. Pelletized for easy application. **40lb - \$54.95**

Bone Meal (0-10-0) Provides phosphorus & calcium. Promotes roots, blooms & fruits. **20lb - \$28.95**

Alfalfa Meal (3-1-2) Provides nitrogen, trace minerals & food for soil microorganisms. **15lb - \$30.95**

Mulches

Texas Native Hardwood Mulch An all-natural, double ground hardwood mulch with a vibrantly dark color that stays consistent for years to come. Will not wash away and keeps the weeds at bay! **2CF - \$3.95**

Texas Native Cedar Mulch An all-natural, reddish-brown, double ground cedar that is not only wonderfully aromatic – it's also a natural insect repellent! Great for all bedding, garden and tree landscaping needs. **2CF - \$3.95**

Pine Straw Bale A very attractive natural groundcover made from pine needles. It is especially useful in vegetable gardens. Comes in a bale. **4.5CF - \$24.95**

Propagation Blends

Light Warrior Seed Starter Ultimate medium for seed starting & transplanting. Beneficial microbes stimulate & enhance fertilizer uptake. Fast-draining and lightweight. **1CF - \$28.95**

Composts

Cattle Manure Compost 100% fully composted manure that contains no fillers. Low in moisture content and salts making it virtually odor free. Add to compacted soils to improve aeration. Helps with water retention. **1CF - \$9.95**

Chicken Manure Compost 100% fully composted manure that contains no fillers. Low in moisture content and salts making it virtually odor free. Higher in nitrogen than other composts, making it great for veggie gardening. **1CF - \$11.95**

Cotton Burr Compost 100% fully composted organic compost that improves any soil type. Excellent for breaking up clay or compacted soils. Improves soil health by adding "micro" & "macro" nutrients as well as micro-organisms. **2CF - \$11.95**

Acidified Cotton Burr Compost Same as the mix listed above but with added sulfur that is great for acid-loving plants. **2CF - \$12.95**

Nature's Blend Compost A premium compost containing a balanced blend of composted cotton burrs, composted cattle manure, alfalfa and humate. It is a fine screened compost, making it ideal for topdressing lawns & revamping garden beds. **1CF - \$13.95**

Happy Frog Soil Conditioner Blended in small batches with pH-balanced aged forest products, earthworm castings, humic acid & bat guano. Contains beneficial microbes to stimulate roots & help access nutrients.

1.5CF - \$17.95 / 1 cubic yard tote \$281.95
660 lb tote is loaded w/ forklift onto your truck or trailer.

Worm Castings Adds nutrients & trace minerals while improving soil texture and boosting beneficial microbial life. No smell so it's great for houseplants! **5gal - \$28.95**

Sands & Rocks

Decomposed Granite ¼" minus size with pinkish tint. Use between patio stones or as driveways & walkways. Also great for added drainage and minerals to gardens & flower beds. **0.5CF - \$6.49**

Granite Gravel 3/8" Pinkish color w/black speckles. Use as a groundcover in landscapes or for pathways/driveways. **0.5CF - \$5.95**

Basalt 5/8" Can be used for walkways or water features. Dark grey when dry & black when wet. **0.5CF - \$8.95**

Expanded Shale Use for improving drainage & permeability of the soil. **40lb - \$11.95**

Pea Gravel 3/8" Use in a variety of landscaping projects. Can be used in aquariums. **0.5CF - \$5.95**

Crushed Limestone 1½" Use as a groundcover in landscapes or for pathways/driveways. **0.5CF - \$5.95**

River Rock 5/8" Use as a groundcover in landscapes or for pathways/driveways. **0.5CF - \$5.95**

Garden Soils

Nature's Creation Garden Soil A balanced blend of black humus compost, horticultural sand, composted forest products, kelp meal, composted rice hulls, poultry manure & mycorrhizal fungi. An ideal stand-alone medium for all in ground plantings. **1CF - \$11.95**

Fox Farm Original Planting Mix A carefully combined blend of the best soil amendments available: aged forest products, earthworm castings, bat guano, Norwegian kelp meal, oyster shell, sphagnum peat moss. Great at holding moisture, helping you obtain glorious results & save water at the same time! Feeds for 2-3 weeks. **1CF - \$22.95**

Soil Amendments

Coconut Coir Fiber Coir is a great addition to potting mixes as it is light, airy, retains moisture & has an ideal pH. An eco-friendly alternative to peat moss. 2lbs expands to 2.5gals / 11lbs expands to 17gals

2lb - \$5.95 / 11lb - \$27.95

Disper-sul A granular sulfur product that is used to temporarily help lower soil pH. **50lb - \$32.95**

Dr. Iron Formulated to fix iron deficiency and boost plant vigor. Reduces soil pH. **7lb - \$22.95 / 21lb - \$45.95**

Gypsum (pelletized) An excellent source of calcium & sulfur. Loosens up clay soil to improve drainage. **40lb - \$14.95**

Humate Increases soil's nutrient-holding capacity & soil texture, with humic acid. **40lb - \$41.95**

Lava Sand Increase paramagnetism, water-holding & porosity of your soil. **40lb - \$10.95**

Minerals Plus A blend of minerals, including lava sand, greensand & trace minerals. **40lb - \$39.95**

Molasses Provides food for microorganisms plus carbon, sulfur & potassium. **50lb - \$49.95**
