## Fertilizers

### **Sustane (8-2-4) All Natural Plant Food**

OMRI listed slow-release all-purpose fertilizer derived from biologically stable compost, sulfate of potash, and feather meal. Feeds for 6-12 weeks. 12.5lbs per 1,000 sq. ft. for lawns in spring and fall. **5lb - \$12.95 / 20lb - \$34.95**

### **Nature's Creation Premium Lawn & Garden**

**Fertilizer (6-1-2)** An all natural, pleasant smelling fertilizer that has been formulated with 11 different strains of mycorrhizal fungi. Contains no bio-solids, manures, or animal by-products. The easy to spread pellets contain 16 proven ingredients that provide exceptional results for lawns and garden beds. Bag covers 4,000 sq. ft. **40lb - \$43.95**

### **Medina Growin' Green Organic Fertilizer (3-2-3)**

An OMRI-listed natural multi-purpose year-round fertilizer derived from humate and pasteurized poultry manure. Can also be used as a lawn winterizer. Bag covers 3,000 sq. ft. with broadcast spreader set around 2/3 open. Feeds for 3-4 months. **40lb - \$23.95**

**Buds & Blooms (6-8-4)** Organic fertilizer blend made from alfalfa, bone, cottonseed, soybean, and feather meals. Promotes roots, blooms & fruits. **4lb - \$12.95 / 15lb - \$28.95 / 30lb - \$49.95**

**Rose Glo (6-8-4)** Premier organic rose food made from feather, bone, and alfalfa meals as well as humates and worm castings. Use every 8-10 weeks at 2lbs per 100 sq. ft. **15lb - \$28.95 / 30lb - \$49.95**

**Cottonseed Meal (7-3-2)** A natural source of all 3 primary plant food elements. Helps to create an acidic soil condition & stimulates beneficial bacteria. 3.5lbs per 100 sq. ft. **3.5lb - \$14.95 / 20lb - \$39.95**

**Rock Phosphate (0-3-0)** Promotes roots, blooms & fruits. Application rates vary. **5lb - \$13.95 / 40lb - \$54.95**

**Bone Meal (0-10-0)** Provides phosphorus & calcium. Promotes roots, blooms & fruits. Application rates vary. **4lb - \$14.95 / 20lb - \$37.95**

## Mulches

**Texas Native Hardwood Mulch** An all-natural, double ground hardwood mulch with a vibrantly dark color that stays consistent for years to come. Will not wash away and is great for pathways! **2CF - \$3.95**

**Texas Native Cedar Mulch** An all-natural, reddish-brown, double ground cedar that is not only wonderfully aromatic – it's also a natural insect repellent! Great for all bedding, garden and tree landscaping needs. **2CF - \$3.95**

**Pine Straw Bale** A very attractive natural groundcover made from pine needles. It is especially useful in vegetable gardens. Comes in a round bale. **4.5CF - \$24.95**

## Potting Soils

### **Heirloom Soils The Works Potting Soil**

All-purpose blend made from leaf mold and vermi-composts, cured coir, aged pine bark, basalt, expanded shale, humates, biochar, molasses, and mycorrhizae. **1CF - \$26.95**

### **Fox Farm Happy Frog Potting Soil**

A premium all-purpose mix that includes peat moss, earthworm castings, bat guano, aged forest products, and mycorrhizae. **12qt - \$12.95 / 2CF - \$32.95**

### **Fox Farm Ocean Forest Potting Soil**

Top-notch all-purpose blend including aged forest products, peat moss, earthworm castings, bat guano, fish emulsion, and crab meal. **12qt - \$12.95 / 1.5CF - \$25.95**

### **Nature's Creation Cactus & Succulent Mix**

Well-draining blend made of coco fiber, recycled trees & shrubs, perlite, horticultural sand, compost, kelp meal, and mycorrhizae. **.5CF - \$9.95**

### **Rabbit Hill Farm Cactus Mix**

A soilless potting mix that's been formulated for all types of cacti & succulents. Contains compost, aged pine bark, lava sand, granite sand & perlite. **3qt - \$10.95 / 5gal - \$17.95**

### **40% OFF Fox Farm Salamander Soil Potting Mix**

Balanced blend of coco fiber, worm castings, bat guano & oyster shell that holds moisture longer between waterings. Feeds plants for 3-4 weeks. **1.5CF - \$25.95**

## Garden Soils

**Nature's Creation Garden Soil** A balanced blend of black humus compost, horticultural sand, composted forest products, kelp meal, composted rice hulls, poultry manure & mycorrhizal fungi. An ideal stand-alone medium for all in ground plantings. **1CF - \$11.95**

**Heirloom Soils Veggie & Herb Mix** Made from leaf mold compost, composted soil fines, aged pine, cured coir, shale, granite sand, & mycorrhizae. For use in raised beds or large pots. **1CF - \$16.95**

**Heirloom Soils Multi-Purpose Rose Soil** High quality blend ideal for growing roses and acid-loving plants but suitable for perennials, blooming shrubs, seasonal color, & more. For use in raised beds or large pots. **1CF - \$15.95**

**Heirloom Soils Fruit, Berry, & Citrus Soil** As the name suggests this mix is formulated for growing fruiting plants ranging from berries to citrus. Includes leaf mold compost, aged pine bark, expanded shale, fungal compost, composted soil fines, cured coco coir, torpedo sand, granite sand, and mycorrhizae. For use in raised beds or large pots. **1CF - \$16.95**

## **Composts**

**Aged Leaf Mold Compost** Loosens heavy soils to improve drainage while also improving moisture retention and beneficial soil microbe activity. Finely screened. Great for top-dressing lawns! **1CF - \$15.95**

### **Premium Expanded Shale & Leaf Mold**

**Compost** A mix of these two products used for blending into existing soil to add organic matter, improve soil texture, and increase moisture retention. Recommended for use every 3-4 years. **1CF - \$15.95**

**Acidified Cotton Burr Compost** Composted cotton burrs with added sulfur that is great for acid-loving plants. **2CF - \$16.95**

**Happy Frog Soil Conditioner** Blended in small batches with pH-balanced aged forest products, earthworm castings, humic acid & bat guano. Contains beneficial microbes to stimulate roots & help access nutrients.

**1.5CF - \$22.95 / 1 CY tote \$281.95**

*660 lb tote is loaded w/ forklift onto your truck or trailer.*

**Worm Castings** Adds nutrients & trace minerals while improving soil texture and boosting beneficial microbial life. **3qt - \$13.95 / 5gal - \$28.95**

## **Sands & Rocks**

**Decomposed Granite** ¼" minus size with pinkish tint. Use between patio stones or as driveways & walkways. Also great for added drainage and minerals to gardens & flower beds. **0.5CF - \$6.49**

**Granite Gravel** 3/8" Pinkish color w/black speckles. Use as a groundcover in landscapes or for pathways/driveways. **0.5CF - \$5.95**

**Basalt** 1" Can be used for walkways or water features. Dark grey when dry & black when wet. **0.5CF - \$8.95**

**Expanded Shale** Use for improving drainage & permeability of the soil. **40lb - \$11.95**

**Pea Gravel** 3/8" Use in a variety of landscaping projects. Can be used in aquariums. **0.5CF - \$5.95**

**Crushed Limestone** 1½" Use as a groundcover in landscapes or for pathways/driveways. **0.5CF - \$5.95**

**River Rock** 5/8" Use as a groundcover in landscapes or for pathways/driveways. **0.5CF - \$5.95**

## **Miscellaneous**

**Corn Gluten** A natural pre-emergent herbicide that prevents the germination of broadleaf weeds, annual & perennial grasses. **40lb - \$54.95**

**Corn Meal** A natural fungicide that treats soilborne disease such as brown patch in lawns. **4lb - \$8.95 / 30lb - \$27.95**

**Diatomaceous Earth (D.E.)** A non-toxic pest control dust that kills insects of all species. **50lb - \$41.95**

**Dusting/Wettable Sulfur** Dust on potatoes and bulbs before planting to prevent rotting. Dust on lawn to repel chiggers. **4lb - \$10.95 / 25lb - \$35.95 / 50lb - \$56.95**

## **Soil Amendments**

**Coconut Coir Fiber** Coir is used as an addition to potting mixes as it is light, airy, retains moisture & has an ideal pH. 11lbs expands to 17gals. **1.4lb - \$5.95 / 11lb - \$27.95**

**Disper-sul** A granular sulfur product that is used to temporarily help lower soil pH. **4lb - \$12.95 / 50lb - \$32.95**

**Dr. Iron** Formulated to fix iron deficiency and boost plant vigor. Reduces soil pH. 3.5lbs per 1,000 sq. ft. **7lb - \$26.95 / 21lb - \$54.95**

**Gypsum** An excellent source of calcium & sulfur. Loosens up clay soil to improve drainage. **6lb - \$10.95 / 40lb - \$16.95**

**Lava Sand** Increase paramagnetism, water-holding & porosity of your soil. **40lb - \$10.95**

**Minerals Plus** A blend of three paramagnetic rock materials. Includes granite sand, lava sand, basalt, rock phosphate, humate, greensand, & montmorillonite. 40lbs per 1,000 sq. ft. **6lb - \$14.95 / 40lb - \$44.95**

**Molasses** Provides food for microorganisms plus carbon, sulfur & potassium. **4lb - \$9.95 / 50lb - \$49.95**

**Perlite** Used in container gardening to improve drainage. **8qt - \$16.95 / 4CF - \$40.95**

**Sphagnum Moss** Used to line hanging baskets or as a mulch for potted plants. **432 ci - \$12.95 / 2CF - \$68.95**

**Vermiculite** Improves soil aeration while retaining moisture & nutrients. **8qt - \$18.95 / 4CF - \$47.95**

## **Propagation Blends**

**Light Warrior Seed Starter** Ultimate grow medium for seed starting & transplanting. Beneficial microbes stimulate & enhance fertilizer uptake. Fast-draining and lightweight. **1CF - \$28.95**

**Fertilome Seed & Cutting Mix** A fine-screened lightweight blend of black peat moss, perlite, dolomite and limestone that's an ideal mix for germinating seeds and rooting cuttings. **8qt - \$15.95**
