

JOHN'S ORIGINAL RECIPE

Ingredients:

- 2 Tbs. Fish Emulsion
- 1 Tb. Medina Soil Activator
- 1 Tb. Maxicrop Seaweed
- 1 Tb. G-V Blackstrap Molasses
- 1 Gal. Water

Build up cold and heat resistance for all your plants with the regular use of John's special recipe for plants. Spray this marvelous mixture, which is well endowed with trace minerals, as often as once a week on the foliage of all your plants, and drench the roots with it, too.
